Just a short e-mail to thank you both for helping with the field trip on Tuesday. S---'s school class had such a wonderful time. D---- did such a great job organizing games, all the kids loved her. You really can tell she enjoys that part of her job. Thank you also to S---, it was such a beautiful day for a hayride. S--- was so proud to show off the campground to his friends. As we were leaving S---'s teacher turned to me and said "this field trip was awesome and is going to be hard to beat."

*Thanks again,

"We had a great time this past weekend. Enjoyed the beading class and the ice cream social. Let us know when you're having specials. This is our favorite camp ground."

"We had great memories! Thank you. The stage coach ride was a definite bonus....not something that comes along everyday. Your staff are very nice. I mostly dealt with the women with short blond hair, and she was fabulous! Thanks!"

"I have to say after the two places we stayed at prior to yours, we were very impressed. Your camp was so clean and well maintained, we didn't want to leave. Had we known how beautiful the camp was, we would have planned a couple more days there. Thanks so much for everything, and if we ever have anything planned in La Crosse again, we will definitely be staying with you. Thank-you for having a wonderfully clean and outstanding campground! We didn't get to experience too much since the weather didn't cooperate this last weekend, and we were at the Mopar show at West Salem, but while we were at the campground, we did enjoy it!! We definitely don't mind paying a little more for camping when the campground facilities were as clean and well kept as yours were! We would of loved to spend time in the hot tub but that will have to be for another time. Your shower facilities were excellent also!! Thank-you again. Will be bringing the grandchildren back to spend time there! Thanks again!"

"Thank you for our pleasant stay at your campground. Everything was clean and beautiful. It also had a great atmosphere that was relaxing to come back to after the long days in La Crosse for the track meets. We hope to visit you again soon."

"Thank you for your response to our suggestion. It is nice to see an owner that gets the job done and actually cares about their client's replies."

Have a great week and we'll be seeing you again late next month."
